FOREWORD

SocioVoyage: International Journal of Social Dynamics in Tourism; This journal is intended for the publication of scientific articles published by the **STIEPARI PRESS PUBLISHING AGENCY**. This journal contains studies in the field of Tourism Social Dynamics, both theoretical and empirical. This journal is published 4 times a year (**January, April, July and October**)

SocioVoyage : International Journal of Social Dynamics in Tourism publishes the only paper that strictly follows the guidelines and template for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by editorial members (according to their area of specialization) and will be screened by the managing editor to meet the criteria required for publication. The manuscript will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their area of specialization. **SocioVoyage : International Journal of Social Dynamics in Tourism** on Education and Religion have reviewed the form to keep the same items reviewed by two reviewers. Then the editorial board makes a decision based on the reviewers' comments or suggestions.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles in the field of Social Dynamics of Tourism and is the result of research or literature studies, especially from lecturers, alumni and students both from campus and outside campus. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers.

The editorial board will continue to try to improve the quality of the journal so that it can become an important reference in the development of science. The deepest appreciation and thanks to the bestari partners together with the members of the editorial board and all parties involved in publishing this journal.

Regards,

Chief Editor
